# AAA <br> STANDARDS SCHEME 2015/2016 

THE COMMON STANDARDS SCHEME

## THE COMMON STANDARDS SCHEME

The agreement reached in 1996 between representatives of the AAA of England and the Celtic Countries in respect of the recognition of common Track and Field Standards essentially remains in force. The performances listed hereunder apply to all British Athletics, irrespective of whether any Country intends, or not, to make Certificates and/or Badges available to their athletes.

With the advent of data bases of performances it has been decided to completely revise the standards tables every two years and to introduce standards for events which appear in the Power of 10 database. The method of revising the tables has been to look at the total number of performances recorded in the database and to try to pitch the standards such that the top $7.5 \%$ of performances would attain a grade 1 standard; the top $15 \%$ of performances a grade 2 standard; the top $30 \%$ a grade 3 standard; the top $65 \%$ a grade 4 standard. Some events have not been included due to there being insufficient data on which to base a realistic standard, i.e. performances by less than 50 individuals Whilst the walks are not included in the Power of 10 their standards have been retained in the hope that more performances will be forthcoming. There are anomalies e.g some age groups have more than 50 performances whilst others, where one would have expected them, have not: JM Triple Jumpers jump further than Seniors for grades $2 \& 3$; JM are faster than seniors over 60 m indoors; JW are slightly faster than SW at 800 m And $1500 \mathrm{mS} / \mathrm{C}$ and at grade 1 in 3000 m ; JW outperform SW in the HJ at grades 2 and 3 , in the discus at grade 1 , and at grades 2 and 3 in the 60 m indoor

The Standards for Senior athletes are for guidance only as there are no badges available for that age group. It is recognised that this is the area where performances seem to be decreasing but perhaps this is due to the larger participation in area leagues rather than a diminishing performance at the top levels - international and elite.

In the previous tables indoor 60 metres and 60 metres Hurdles standards were fixed with two decimal places as most indoor competition now has the advantage of photo finish.

Any queries on this Scheme should be addressed to Edwin Bellamy, 17 Parkdale, Barton upon Humber DN18 5EO. Telephone: 01652 633422. E-mail: ebellath@aol.com

## AAA STANDARDS SCHEME

This Association will for the 2015 \& 2016 Seasons, use the COMMON STANDARDS SCHEME incorporating the revisions referred to above. All the applicable Standards are listed in the following pages. Badges are available for the FOUR Grades in the UNDER 17, UNDER 15 and UNDER 13 AGE GROUPS and THREE Grades in the UNDER 20 AGE GROUP, as defined by UK Athletic Rules.

The performance to be recognised must be achieved in the actual category of competition at 1) National, Territorial and County Championships: 2) League competitions, Open Meetings and Inter-Club Trophy Meetings; 3) at other approved meetings: and 4) at ESAA National, Regional and County Championships.

Certificates, which are issued free, give details of addresses from which Athletes may obtain Badges at a cost of $£ 2.00$ PLUS SELF ADDRESSED STAMPED ENVELOPE for return of Badge. Clubs are encouraged to make bulk applications for their athletes. In addition badges may be obtained by e-mail application paying into the Association's Paypal account in which case an extra $£ 1$ per transaction will be added to cost of badge/s to cover Paypal charges and postage and packing. The e-mail address for such applications is Badgesat17@aol.com and should include the badge/s required together with a name and address to which the badge/s are to be sent. Blank certificates can be downloaded from a number of websites or sent electronically by the Honorary Standards Officer.

1. The Standards set for ALL FIELD EVENTS in EACH AGE GROUP are based on the use of the implement weights and specifications as detailed under UK Athletic Rules. and consequently the new tables incorporate standards for the weights of implements which were altered for some female age groups during 2014. Standards are not set for the use of' under' or'over' weight implements. Similarly Standards for Hurdle/Steeplechase events are based on the use of Hurdles/Barriers to the heights and spacings as defined by UK Athletic Rules.
2. Standards may be obtained for ALL Indoor Events additional to the 60 metres and 60 m Hurdles using the relevant outdoor tables.
3. Standards may be obtained in each or every single event contained within any Combined-Event competition
4. Although Standards are listed for SENIORS it is NOT the intention to make BADGES available for this Age Group. They are included for use by Leagues etc.

Queries on the scheme may be addressed to the AAA Hon. Standards Officer, Edwin Bellamy, 17 Parkdale, Barton upon Humber DN18 5EQ Telephone: 01652 633422. E-mail: ebellath@aol.com ; or to the Midland Counties AA at their registered HQ address as below.
